

TONY ROMA'S

◆ FAMOUS FOR RIBS ◆

April 24, 2007.

Mr.: Bill Foley
Executive V.P. - General Manager
Cheney Brothers Inc.
One Cheney Way
Riviera Beach, Fl. 33404-7000

Dear Mr. Foley:

As you probably know by now, Tony Roma's in Hallandale will be using Sysco as our main distributor effective April 30, 2007.

Our decision was based on our commercial interests and is not a reflection on C.B.I. performance. I am grateful to C.B.I. for their decision to handle our business at a time when we were having serious difficulties with our distributor. I am sorry we were not able to influence, as I thought we would, other Tony Roma's Franchisees to join our program.

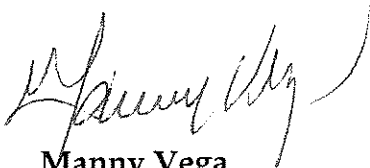

Also, at this time, I would like to express my sincere appreciation for the great job Luis Gonzalez did for us. After our dealings with him I consider Luis a good friend.

There are also other members of the C.B.I. team that deserve special recognition for their efforts in our behalf. I am referring to Alice Spencer and Maceo one of your drivers.

I know the attitude of those staff members is a positive example of the C.B.I. culture.

Once again, thank you.

Best Wishes,

Manny Vega
