

All-Weather Pillars

Resistant to Rain, Heat, and Wind.

Their size makes a statement. Their design makes them versatile. Enjoy the same beautiful flicker and glow in a **rain-resistant** and durable **resin construction**. Designed to resist the elements, and featuring our new **Programmable Timer** option, these products can be set to turn on and off at any time and operate for over a year before requiring their first battery replacement. Perfect for use indoors or in any climate.

Spas

These Pillars make setting the mood in your spa easier than ever. Place them around waiting rooms, in halls, baths, pools, outdoor relaxation spaces, and treatment rooms.

Restaurants

Also perfect for any bar, lounge, or night club. Arrange in an assortment of sizes on the floor or table tops, outside and inside, around the patio, on the bar, in washrooms, lounges, and waiting areas. Useful in hard to reach places like rafters, or window frames.

Hotels

These pillars make any space warm and welcoming. The freedom to leave unattended, and the reliability of not blowing out. Place in rooms, lobby, lounge areas, pool, and dining room.
