

## BBI HAS BEEN PROVIDING QUALITY MEAT PRODUCTS SINCE 1985

**PREMIUM BOXED  
AND PORTIONED BEEF**

**FROM THE LEADING DISTRIBUTOR  
TO THE SOUTHEAST & BEYOND**

**B**ari Beef International has been providing quality meat products in the central Florida market since 1985. We are a USDA processing center with a USDA inspection office on premises. This means that all the beef, poultry, pork, lamb and veal that we process is up to the highest standards as required by the USDA. Our in house highly trained quality assurance staff backs up the USDA third party audit.

**J**ust Ask Us! There is nothing we won't do for our clients to make sure that they are a success. It's what distinguishes us from everyone else, and what makes us unique. You need something done, Just Ask Us, and we will do it.

**O**ur merger with Orlando Food Service (OFS) and our relationship with Cheney Brothers, Inc. have made us stronger than ever before. Our combined resources make it possible to serve our customers beyond the expected.

**O**ur 74,000 sq ft state of the art facility allows us to produce what you need when you need it using time honored traditional methods. Our beef, pork, poultry, veal and lamb production is quality beyond compare and our butchers give you product that is exactly what you expect... the correct cut and weight. Just Ask Us and we'll give you exceptional service coupled with exceptional product.

**W**e are proud to say that our products are utilized by the top restaurants, hotels, caterers and theme parks in the world. Just Ask Us and we will give you the same service and quality at the best pricing in the industry. Bari Beef International is here to help you. Just ask us and we can do it.

### **CHENEY BROTHERS IS RECOGNIZED AS A LEADER.**

**A**s a result of our relationship with Cheney Brothers we can now offer superior products combined with exceptional service. We welcome the opportunity to have you visit us, tour our facility and become part of the BBI family.
