4. FIRST AID MEASURES				
Eye contact: Flush immediately with plenty of water. If irritation persists, get medical attention.				
Skin contact: Flush immediately with plenty of water. If irritation persists, get medical attention.	Flush immediately with plenty of water. If irritation persists, get medical attention.			
	No specific first aid measures are required.			
Ingestion:   If swallowed, give a cupful of water or milk.     Aggravated Medical Conditions:   Persons with pre-existing skin disorders may be more susceptable to irritating effects.	If swallowed, give a cupful of water or milk. Persons with pre-existing skin disorders may be more suscentable to irritating effects			
5. FIRE-FIGHTING MEASURES				
Suitable extinguishing media: The product is not flammable. Extinguish fire using agent suitable for surrounding fire.				
Specific hazards: Not applicable				
Unusual hazards: None known				
Specific methods: No special methods required				

Special protective equipment for firefighters: As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear Extinguishing media which must not be used for safety reasons: No information available

## 6. ACCIDENTAL RELEASE MEASURES

#### Personal precautions: Environmental precautions and clean-up methods:

Use personal protective equipment Clean-up methods - large spillage. Soak up with inert absorbent material. Sweep up and shovel into

suitable containers for disposal. Use a water rinse for final clean-up.

# 7. HANDLING AND STORAGE

### Handling:

Avoid contact with skin, eyes and clothing. Wash thoroughly after handling. FOR COMMERCIAL AND INDUSTRIAL USE ONLY.

Storage:

Protect from freezing. Keep tightly closed in a dry, cool and well-ventilated place. KEEP OUT OF REACH OF CHILDREN.

## 8. EXPOSURE CONTROLS / PERSONAL PROTECTION

#### Engineering measures to reduce exposure:

No special ventilation requirements. General room ventilation is adequate.

#### Personal Protective Equipment

Eye protection: No special requirements under normal use conditions.	
Hand protection: No special requirements under normal use conditions	
Skin and body protection: No special requirements under normal use conditions.	
<b>Respiratory protection:</b> No special requirements under normal use conditions.	
Hygiene measures: Handle in accordance with good industrial hygiene and safety practice of the second secon	ctice

# 9. PHYSICAL AND CHEMICAL PROPERTIES

Physical State:	Liquid	Bulk density:	No information available	
pH:	8.2	Dilution pH:	7.6 1:16	
Appearance:	Aqueous solution	Vapor density:	No information available	
Color:	Clear Straw	Evaporation Rate	No information available	
Odor:	Fruity Floral	Boiling point/range:	Not determined	
Specific gravity:	1.03	Melting point/range:	Not determined	
Density:	8.55 lbs/gal	Decomposition temperature:	Not determined	
VOC:	0.0166% *	Autoignition temperature:	No information available	
Flash point:	>200°F >93.3°C	Partition coefficient (n-octanol/water): No information available		
Solubility:	Completely Soluble	Solubility in other solvents:	No information available	
Viscosity:	No information available	Elemental Phosphorus:	0 %P	

\* - Title 17, California Code of Regulations, Division 3, Chapter 1, Subchapter 8.5, Article 2, Consumer Products, Sections 94508

## **10. STABILITY AND REACTIVITY**

Stability:The product is stablePolymerization:Hazardous polymerization does not occurHazardous decomposition products:None reasonably foreseeable.		
	11. TOXICOLOGICAL INFORMATION	

Acute toxicity: Component Information:	Oral LD50 estimated to be greater than 5000 mg/kg Dermal LD50 estimated to be > 2000 mg/kg See Section 3
Chronic toxicity:	None known
Specific effects Carcinogenic effects: Mutagenic effects: Reproductive toxicity: Target organ effects:	None known None known None known None known

12. ECOLOGICAL INFORMATION

**Environmental Information:** 

No data available

# **13. DISPOSAL CONSIDERATIONS**

Waste from residues / unused products:

Dispose of according to all federal, state and local applicable regulations

# **14. TRANSPORT INFORMATION**

DOT/TDG: Please refer to the Bill of Lading/receiving documents for up to date shipping information

# **15. REGULATORY INFORMATION**

#### International Inventories

All components of this product are listed on the following inventories: U.S.A. (TSCA), Canada (DSL/NDSL).

### **U.S. Regulations**

California Proposition 65: This product is not subject to the reporting requirements under California's Proposition 65
