SECTION VI - HEALTH HAZARDS

| Route(s) of Entry: Inhalation? X Skin? X Ingestion? Health Hazards (1. Acute and 2. Chronic) Acute: Causes irritation to skin, eyes, and respiratory tract. Harmful if swallowed. Chronic: Excessive exposure may cause liver and kidney damage. Chemical Listed as Carcinogen National Toxicology Yes In LARC. Yes OSHA Yes Program No Monographs No | SECTION VI - HEALTH | - |
|--|---------------------------------|---|
| Chemical Listed as Carcinogen National Toxicology Yes LAR.C. Yes OSHA Yes Signs and Symptoms of Exposure Irritation of eyes, skin, or respiratory tract. Medical Conditions Generally Aggravated by Exposure Emergency and First Aid Procedures Eves: Flush eyes for at least 15 minutes. Call physician. Skin: Immediately flush with water. Remove contaminated clothing. If hot, treat for thermal effects. Inhalation: Remove to fresh air. If not breathing give artificial respiration, preferably mouth to mouth. If breathing difficult, give oxygen. Call physician. Ingestion: Induce vomiting by drinking 2 large glasses of water and sticking finger down throat. Contact physicians. Never give anything by mouth to an unconscious person. Remove material from eyes, skin and clothing. SECTION VII - PRECAUTIONS FOR SAFE HANDLING AND USE Steps To Be Taken In Case Material Is Released Or Spilled with instructions in spill, leak and disposal section of MSDS. Waste Disposal Method Sewer or incinerate with local approval. Precautions To Be Taken In Handling And Storing Other Precautions Do not get in eyes, on skin or on clothing. Avoid breathing dust or vapors, or spray mist. Use with adequate ventilation. Wash thoroughly with soap and water after handling. Do not use or store near heat or open flame. SECTION VIII - CONTROL MEASURES Respiratory Protection (Specify Type) Adequate Ventilation Adequat Local Adequate Exhaust General) Have eye flushing equipment available. | | |

NOTICE: NO REPRESENTATIONS OR WARRANTIES, EITHER EXPRESS OR IMPLIED, OR MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR OF ANY OTHER NATURE, ARE MADE WITH RESPECT TO INFORMATION CONCERNING THE PRODUCT REFERRED TO IN THIS MATERIAL SAFETY DATA SHEET. The goal of defining precisely, in measurable terms, every possible health effect that may occur in the workplace as a result of chemical exposures cannot realistically be accomplished. The information and recommendations contained in this Material Safety Data Sheet are supplied pursuant to 29 C.F.R. 1910.1200 of the Occupational Safety and Health Standards Hazard Communication Rule. The information and recommendations set forth herein are presented in good faith and believed to be correct as of the date hereof. Affiliated Laboratories, a division of Affiliated Paper Companies, Inc., however, makes no representations as to the completeness or accuracy thereof, and information is supplied upon the express condition that the persons receiving the same will be required to make their own determination as to its suitability for their purposes prior to use. In no event will Affiliated Laboratories, a division of Affiliated Paper Companies, Inc. be responsible for any damages of any nature whatsoever resulting from the use of, reliance upon, or the misuse of this information. The information as supplied herein is simply to be informative and intended solely to alert the user of the substance which is the subject matter of this Material Safety Data Sheet. The ultimate compliance with federal, state or local regulations concerning the use or disposal of this compound, or compliance with respect to products liability, rests solely upon the purchaser thereof.
