MATERIAL SAFETY DATA SHEET
COMPLIES WITH OSHA'S HAZARD COMMUNICATION STANDARD (29 CFR 1910.1200)

SECTION I - PRODUCT IDENTIFICATION
Product Name: Metal Cleaner & Tarnish Remover
Product Number: 420
Product Type: AEROSOL
Formula: Proprietary
Supplier's Name: Terand Industries, Inc.
Supplier's Address: P.O. Box 667770, Pompano Beach, FL 33066
DOT Ship Description: CONSUMER COMMODITY, ORM-D
Date Prepared: 12/28/2007

*A Exposure limits are for dust form only of microcrystalline silica. This is not expected to pose a risk when used in accordance with label directions.
OSHA PEL-TWA for crystalline silica (as respirable quartz) is 10mg/m3 divided by the value "%SiO2 + 2."
ACGIH TLV-TWA for crystalline silica (respirable fraction) is 0.05 mg/m3.

SECTION IV - FIRE AND EXPLOSION DATA
Flammability (as per CSMA Flame Projection Test): Non-Flammable Spray
Extinguishing Media: Foam, CO2, Dry Media

SECTION V - REACTIVITY DATA
Stability: Material Stable.
Incompatibility: Avoid contact with strong oxidizing agents.
Hazardous Decomposition Products: Carbon Dioxide, Carbon Monoxide.
Hazardous Polymerization: Will not Occur.

SECTION VI - STORAGE AND HANDLING
For Industrial and Institutional use only.
NFPA Code 30B Rating: Level 1 Aerosol.

SECTION VII - HEALTH AND FIRST AID
PRIMARY ROUTES OF ENTRY & EFFECTS OF OVER EXPOSURE:
Eyes: May cause irritation accompanied by redness, stinging, tearing, and swelling of the eyes.
Skin: Frequent or prolonged contact may cause irritation. May aggravate existing skin conditions.
Inhalation: Inhalation of mist can cause irritation of nasal and respiratory passages. Absorbive or excessive inhalation may cause irritation to the upper respiratory tract, dizziness, nausea and other central nervous system effects. While crystalline silica dust exposure can have severe health effects when inhaled at levels higher than the exposure limits listed in Section II, this is not expected to pose a significant risk when used in accordance with label directions as no dust is created. Intentional, abusive overexposure could lead to silicosis, fibrosis, cancer, and other systemic disease.
Ingestion: Can cause gastrointestinal irritation, nausea, vomiting and diarrhea. Aspiration of material into the lungs can cause lung inflammation and other lung injury.
FIRST AID PROCEDURES:
Eyes: Flush with large amounts of cool running water for at least 15 minutes while holding upper and lower lids open. If irritation persists get medical attention immediately.
Skin: Wash with soap and water. If irritation persists seek medical attention.
Inhalation: Remove to fresh air. Seek medical attention immediately. If breathing stops give artificial respiration.
Ingestion: Do not induce vomiting. Seek medical attention immediately.

SECTION VIII - SPECIAL PROTECTION DATA
Respiratory Protection: None needed for proper use in accordance with label directions.
Ventilation: Provide local exhaust to keep air concentrations of ingredients listed in Section II below acceptable limits.
Protective Gloves: Use chemical resistant gloves if hand contact will be made.
Eye Protection: Always wear safety glasses or chemical proof goggles when working with chemicals.

SECTION IX - SPILL OR LEAK PROTECTION
STEPS TO BE TAKEN IN CASE OF SPILL OR LEAK: Allow propellant to evaporate. Maintain local exhaust and adequate ventilation. No smoking. Keep sparks, heat sources and open flame away from spill or leak. Cover with absorbent material and sweep up. Wash area to prevent slipping. Dispose of soaked absorbent material in accordance with Federal, State and local laws.
WASTE DISPOSAL METHOD: Aerosol cans, when emptied and depressurized through normal use, pose no disposal hazard and should be recycled. Consult Federal, State and local authorities for approved procedures.

NOTICE: The information contained on this Material Safety Data Sheet is considered accurate as of the date of publication. It is not necessarily all inclusive nor fully adequate in every circumstance. The suggestions should not be confused with, nor followed in violation of applicable laws, regulations, rules or insurance requirements. No warranty, express or implied, of merchantability, fitness, accuracy of data, or the results to be obtained from the use thereof is made.
