"I LOVE TO BE CREATIVE WITH THE FOOD I SERVE. LEAFWARE® BECOMES A CANVAS FOR PRESENTING THE COLORS AND FLAVORS I WANT MY GUESTS TO ENJOY!"

Patty Mastracco
President, idofood

HANDCRAFTED FROM FALLEN PALM LEAVES

Beyond appealing to your guests' "green" sensibilities and providing a sophisticated table presentation, Leafware® offers several benefits to you and your guests.

- **Savings:** Owning permanent tableware requires a large upfront investment, a high in-use inventory, frequent replacement costs, and labor expense. Renting means extra charges for delivery and for any lost or damaged items. Leafware® is less expensive all around.

- **Style:** If your permanent tableware goes out of fashion, a new set represents a steep expense. With Leafware®, you always have the latest styles.

- **Safety:** Leafware® empowers you to provide guests with a new plate, bowl, or piece of cutlery each time. This means there's no chance of offering guests an embarrassing, or unsanitary, dirty plate. We're safer for your staff too—there's no heavy racks or trays to handle.

PLATES

Leafware® is a leading manufacturer of palm leaf single-use products which are 100% green and sustainable. Known for its broad selection, Leafware® products are upscale and high quality, adding value to your events. When it comes to eco-friendly disposable products which are safe for our environment, made with just water+leaf we are committed to providing customers with a consistent supply of the highest quality eco-conscious tableware. Leafware® products look as natural, wholesome, and healthy as the food you put on them.

ECO-BOWLS

Leafware® offers wide selection of bowls for every application. Our bowls offer stylish designs, with strong performance, and the highest quality yet disposable for convenience. Our products are a cut resistant alternative to traditional plastic or polystyrene. All our palm Leaf products are USDA certified biobased and made from fallen palm leaves, truly a reclaimed source that would otherwise have been burned. Our products are refrigerator freezer-safe, heat-safe, and can be used with liquids like soups, stews, and curries.

WOODEN CUTLERY

Leafware® utensils are manufactured from 100% birch. Our Birchwood cutlery eliminate landfill waste while providing you with a unique dining experience. They contain no dyes, bleaches, or glazes and are completely compostable. Leafware® cutlery unlike bio-plastics does not require the use of a commercial composter. When it comes to slicing and dicing, our cutlery works and will not leave you disappointed like many others.
