LIVE LOBSTER

Live Maine Lobster Program in the Fort Lauderdale facility stocks most sizes of hard shell lobster from Maine and Canada where dependability, quality and pricing are second to none.

SHELLFISH

- Our Shellfish Program has over 60 species of Clams, Mussels, Oysters and more - all from certified waters in the USA and Canada.

- We provide a vast assortment of oysters on a rotating basis - varieties from the Northeast, West Coast, Canada, Virginia, Texas and Florida.

FROZEN SEAFOOD

- We stock hundreds of items including our no phosphate added Private Label Shrimp, Squid, Tuna, Clams, Mussels, Mahi, Haddock, Pollock, Cod, Tilapia and many more.

Shipments are available through Cheney Brothers Distribution Center and Crazy Fish International Distribution Center in Fort Lauderdale.

SIXTY SOUTH SALMON

Our Sixty South Antarctic Salmon Program, which is our signature sustainable salmon program, delivers an amazing product and is recognized as a "Best Choice" by the Monterey Bay Aquarium Seafood Watch Program. Remember to share with your customers the following features and benefits:

- Cut from whole fish
- Sustainable
- Recipient of the highest certificates for Aquaculture
- Produced from the only salmon farm in Antarctica

TUNA

- Our Tuna Program offers some of the highest quality grades and species of tuna. Because of our global sourcing and expert buyers, we are able to offer top grades of tuna, catering to everyone's specific needs.

QUALITY SEAFOOD

- Our fin fish, including Groupers, Snappers, Seabass, Swordfish, Hogfish, Wahoo, Bronzino and many others are sourced from around the world.
