HANDCRAFTED FROM FALLEN PALM LEAVES

Beyond appealing to your guests’ “green” sensibilities and providing a sophisticated table presentation, Leafware® offers several benefits to you and your guests.

• **Savings:** Owning permanent tableware requires a large upfront investment. Renting means extra charges for delivery and for any lost or damaged items. Leafware® is less expensive all around.

• **Style:** If your permanent tableware goes out of fashion, a new set represents a steep expense. With Leafware®, you always have the latest styles.

• **Safety:** Leafware® empowers you to provide guests with a new plate, bowl, or piece of cutlery each time. This means there’s no chance of offering guests an embarrassing, or unsanitary, dirty plate. We’re safer for your staff too.

PLATES

Leafware® a leading manufacturer of palm leaf single-use products which are 100% green and sustainable. Known for our broad selection, Leafware® products are upscale and high quality, adding value to your events. When it comes to eco-friendly disposable products which are safe for our environment, made with just water+leaf we are committed to providing customers consistent supply of the highest quality eco-conscious tableware. Leafware® natural and wholesome, as the food you put on them.

ECO-BOWLS

Leafware® offers a wide selection of bowls for every occasion. Our bowls offer stylish design, with strong performance, and the highest quality Disposable for convenience. Our products are an alternative to traditional plastic or polystyrene. All our palm leaf products are USDA certified biobased and made from fallen palm leaves, truly a reclaimed source that would otherwise have been burned. Our products are refrigerator freezer-safe, heat safe, and can be used with liquids like soup, stews, and curries.

WOODEN CUTLERY

Leafware® utensils are manufactured from 100% birch. Our Birchwood cutlery eliminates landfill waste, while providing you with a unique dining experience. They contain no dyes, bleaches, or glazes, and are completely compostable. Leafware® cutlery, unlike bio-plastics, does not require the use of a commercial composter. When it comes to slicing and dicing, our cutlery works and will not leave you disappointed.
